THE DILEMMA

Can they understand he is running for president (and is very popular)?
Watch the video, pros and cons will be discussed in a funny way.
After every pro and con is visible, stop the video and see if the SS understand the joke.
Let the SS imagine what would happen if Donald Trump would be the new president.
What would change?
Open attachment and go over the examples.
Can the SS explain what the person who edited these pictures is trying to say?

The Dilemma

Donald Trump will probably not be the next president of the United States, and if he is, something has gone horribly, horribly wrong.

Here are some of the things we'd probably have to look forward to.

A reality show will be created to find the next vice president.

The White House will become the Trump House.

Donald Trump will be the next person on the \$10 bill.

Every national park will have a golf course.

Canada will no longer be recognized as a country.
It will henceforth be referred to as "Hockeystan."

WHAT TO DO?  

SS have to imagine they are living in America.

What would they do if Trump would become the next president? Any ideas beside the idea of becoming a president? Show the criteria for becoming a president. Imagine the SS could be running for president.

 What Would You Do? 

Oh NO! It looks like Donald Trump will actually become president!!
What would you do in this case? (Imagine that you are living in the

- Nothing. I believe he will make a great president.
- I will **flee** to another country!
- I will get ready for the beginning of WW III.
- I will try and run for president myself!
- ?
